

# Bull Sale

March 6, 2010

Jason, Bev & Kyla Kelly

LOCATION-  
WILLIAMS LAKE  
BC LIVESTOCK MARKET

Welcome to the 8th annual Prime Time Cattle Bull Sale. We are very excited to be hosting our second sale in BC. We have once again focused our bull sale on bringing you top quality two year old bulls, and we are bringing our most consistent set to Williams Lake this year.

If you are not familiar with our operation we are family owned and operated we have a 175 cow calf operation in Northern BC. We switched our program a few years ago to bringing you first cut two year old bulls, so that we could offer you bulls that were raised on low grain rations to prolong their sustainability. When you purchase a bull at our sale they are ready to go out and work and breed more cows. In today's industry we need to have more return on our investment and we feel two year old bulls will defiantly do that. We have a complete herd health program, we have been apart of the Prime Protection Herd Health Program for many years.

We have had a hands on approach to the cattle industry..we like to purchase our herd sires rather than use a bunch of AI bulls so that we can see what the bulls themselves can do in our harsh climate and terrain. We are strong believers in the fact cows need to raise a profitable calf every year, and the bulls need to last! That is why we guarantee our program 100%

We are very excited to be working with BC Livestock and TEAM Electronics Sales again for this years sale. Join us March 6 in William Lake to look over the bulls we have to offer. If you are unable to make it sale day the bulls will be on display in Innisfail, AB till March 1 and in Williams lake on the 4th. Contact any of the BC Livestock Staff for sale inquires or join in the live action on TEAM.
